Our Vision

To see church and society transformed as God's people learn to meet him through Jesus Christ in the power of his Spirit by studying together and applying the message of the Bible in all aspects of their lives.

Our Courses

*I believe the GOLD courses are quite simply a **gift** to the church.*

As a group you can choose the level at which you want to study. We will train your group leader how the courses work.

Our main aim is that you will learn how to read and apply the Bible to your everyday life.

All our courses combine:

HOME STUDY

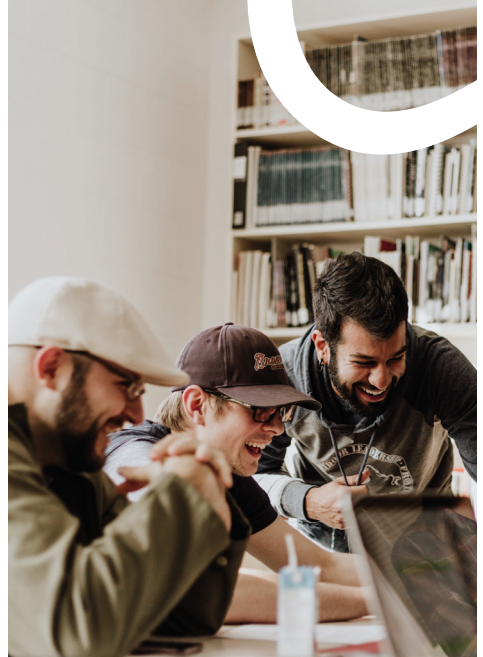

Using carefully designed workbooks

GROUP MEETINGS

With a trained facilitator

APPLICATION

Activities and opportunities to practice what you are learning

*Each module was like a new box of **treasure**.*

Discipleship Pathways

GOLD Project courses offer the opportunity for lifelong learning. People may join our courses at any level, but we also suggest ways that groups can create pathways of learning from one level to another.

How much does it cost?

We try to make our courses available at an affordable price. The cost of each course includes a student workbook and covers resources that we give to our group leaders as well as our own administrative costs. For those who cannot afford the full fee we also offer bursaries. For more information visit the FAQs on our Website or contact us.

Partnership with SEAN UK

SEAN UK (www.seanuk.net) and GOLD Project share a vision to equip all Christian believers in the United Kingdom in their faith and active ministry to their local churches and communities.

As part of this shared vision, GOLD Project makes use of several SEAN courses at Level 1 and 2.
